welcome

Good morning and welcome to Parkview,

Today is a first for me, and for our church. Throughout my ministry, when things became so heavy that I just needed a break, I would receive a call from another church and begin anew. This is the first time I've left a church, knowing that I was scheduled to return.

I am so grateful for all of the people who have made this possible-- from the board and sabbatical committee, to the all of you who have wished me well, and finally to the Lilly Endowment which chose to honor Parkview in this life-giving way. I want all of you to know that I am sure this event is the center of God's will for my life. I absolutely would not have gotten to this day, or have been willing to face it, if I were not sure of this.

Peace to you, and grace to you as you become and act as "the person and presence of Jesus to one another, your community and your world.

Pastor David

important information about communication

- Using the e-mail server, we can send up to 3,000 e-mails to a list of up to 500 names for FREE! To add you to our e-news list we need your permission. If you don't receive our e-news, please complete the information section of the connect card today.
- Some e-mail servers throw all "bulk" e-mails into a spam or junk mail box. If you don't receive the church e-mails, please check your spam and/or junk mail boxes and "allow" these to be in your inbox.
- From September - November, Chisato will be sending out weekly e-newsletters on Wednesdays. She will also post a copy of it on the Loving one Another Deeply wall.
