## Pastor's study: John 1:18

*"No one has ever seen God, but the one and only Son, who is himself God and is in closest relationship with the Father, has made him known."* The word demonstration is defined as a method of teaching by example rather than simple explanation. Jesus Christ came as a demonstration of a human being living life in complete submission to God. He demonstrated a life that is surrendered to the Father, a life that is filled with the Spirit of God. He showed us how to live in the fullness of God's grace and truth. He demonstrated the Christian life! He didn't just talk about it, but he lived it.

What does it take to be transformed in His likeness? What is my part? What is God's part?

Have you ever thought about your life as a demonstration of God's love?

If your family, your neighbors, your co-workers only encounter with Jesus was through you... what are you teaching them about Jesus?

What are you demonstrating with your life?
